

The Casa Circular Marble Table

£3180

Dimensions

Height 78cm

Diameter 100cm

Our 'Casa' Table is the first piece we have created entirely from stone, inspired by an antique slate table we found in Spain. To create the X frame for our table is an incredibly skilled process to get the shape right and also polishing both sides of the stone to be the same on all faces.

Construction & Materials

Construction: 2 parts Top and Base. Base bonded together. Top sit on metal locator pegs

Material: 30mm Kinawa white granite (other materials available on request)

Finish: Polished and sealed & edge finish square polished

Care: Do not leave standing water and do not place high heat object directly onto stone
